Education

2026 – Exp 2031 **Ph.D., Neural Science**, *New York University*

2020 – 2024 **B.S., Computational and Systems Biology**, *University of California, Los Angeles*

Research Experience

2024 – 2026 **Technical Associate**, *MIT McGovern Institute for Brain Research*

PI: Mehrdad Jazayeri

Publications

Year **Title**, *Authors*, Journal

Presentations & Posters

2025 **Poster / talk title**, *Society for Neuroscience (SfN) Annual Meeting*

Skills

Techniques Non-human primate (NHP) neurophysiology, implant design, behavioral task design

Analysis Python, MATLAB, representational geometry / neural population analyses

Languages Chinese (native), English (fluent), French (intermediate)

Awards & Fellowships
